RENAULT Clio**48 DIMENSIONS FOR DRILLING MOUNTING HOLES FOR THE REAR SPOILER**Other sub section concerned : **56**● Engine: **XXX**Basic manual : **M.R. 296**● Gear box : **XXX**

For standardisation reasons, the Parts Department only supplies tailgates which do not have pre-drilled mounting holes.

If the tailgate needs to be replaced on a sports vehicle (C57D, C575, C57M), the repair workshop must drill the spoiler mounting holes following the instructions in this Technical Note.

0.20 hours will be allowed for this operation. (code 5210 -OS drilling holes for fitting accessories).

"The repair methods given by the manufacturer in this document are based on the technical specifications current when it was prepared."

The methods may be modified as a result of changes introduced by the manufacturer in the production of the various component parts and accessories from which his vehicles are constructed."
